A Quality Vinyl Window At A Competitive Price

The research results are in. When builders or homeowners complain about the window buying process, most often their complaints are: **backorders, long lead times, lack of flexibility for change orders, poor quality, and field service issues not being handled in a timely manner.** Now with the Virginia Weatherguard, Windows & More can eliminate all of these problems and provide our customers with the high quality of service they should receive.

With Virginia Weatherguard we offer:

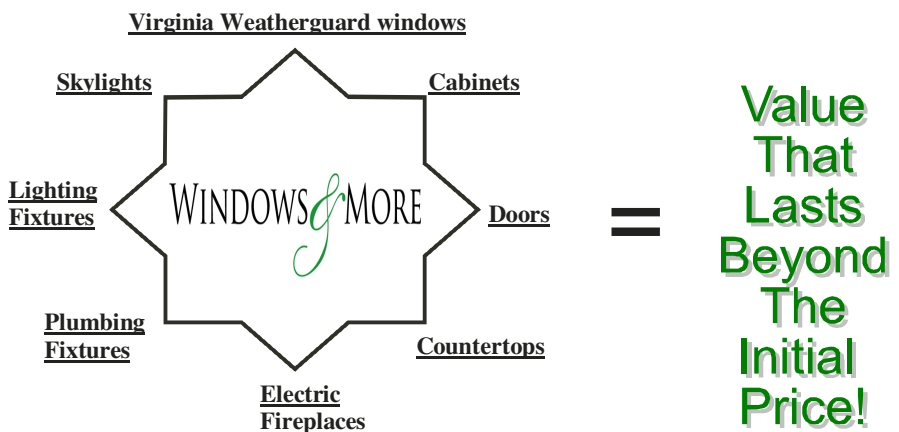

- Custom made to order in 2 weeks, right here in Virginia.
- Wood look windows made from virgin vinyl, the highest-quality extrusions from Veka.
- Service in 72 hours or less, guaranteed (parts are inventoried).
- Double hungs, single hungs, casements, patio doors and custom shapes available.
- Windows with a DP 50 rating. (approved for coastal application)
- 25 year warranty on glass and lifetime warranty on vinyl.
- Certified installation available.

And when you combine our new Virginia Weatherguard windows with the other great products we provide, you save time & money!
